Hello, everyone! I'm so excited to tell you about our outdoor class. We're going to the new park near our school on Saturday morning. We will meet at our school gate at 8 o'clock. When everyone arrives, we are going to the park on foot. So don't be late. We're going to look for different kinds of birds all morning and then we're having lunch together. After lunch, we'll look for some more. Some scientists will be there to explain things to us. So don't forget to take a pen because you have to write everything down. I'm sure all of you will learn more about birds from this special class!
